

# AMENDS LIST

Date: \_\_\_\_\_

| Person, Institution, or Principle | My Own Confession and Regret | Amends Prayer * |  |  |  |  |  |  |
|-----------------------------------|------------------------------|-----------------|--|--|--|--|--|--|
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |
|                                   |                              |                 |  |  |  |  |  |  |

\*Amends prayer: “God, help me to clear away the wreckage that has accumulated out of my effort to live on self-will, and run the show myself .”
